Nestled into a tree-lined street in Cliff Bungalow this condo combines statement style design and a gorgeous, elevated private patio in the Tweed building. Built in 2009 the brick-clad Tweed is one of a few concrete and steel low-rise condos in Calgary. Inside this boutique home you'll find A WINDOW WALL WITH BEAUTIFUL PLANTATION SHUTTERS, filling the interior with natural light while allowing maximum privacy. Recently painted white walls, new lighting, espresso LVP floors, and dark kitchen cabinetry with granite countertops anchor this classic home.
