602 Bayview Lane checks all the boxes. 5 bedrooms, check! Oversized garage check! Main floor bedroom or office, check! Spice kitchen, check! The Marconi offers almost 2400 sq ft and is thoughtfully designed for the busy household. The open-concept main floor kitchen, dining room and living room blend seamlessly, perfect for entertaining. The kitchen is stunning with two-tone cabinetry in warm esterel and a chantilly lace kitchen island complimented by black hardware, elegant white countertops, a matte white bricklayer backsplash, and an adjacent spice kitchen for food preparation. The main floor bedroom and a full bathroom function well for those who struggle with mobility or use this space as a home office. This home is well equipped with a spacious mudroom off the garage and a spacious foyer with an open-to-above airy bannister stairwell. Upstairs, you will find an expensive suite with not only his and her sinks but also his and her closets! 3 additional bedrooms, a bonus room and a laundry room complete this floor. The unfinished basement has upgraded 9' ceilings and a separate side entrance. *Photos are of a previously sold model and are representative. Colours and finishings will vary. Area size was calculated by applying the RMS to the blueprints provided by the builder. Taxes to be assessed*
